Once in a stable's manger in Bethlehem,
Heaven and earth met in all their Glory.
Angels and men stood in awe praising God.

One little baby brought all together when
He chose to honor His Father's Glory.
Perfect and tiny, this child was a God!

The Angels sang of their joy.
And men gave thanks for a little boy;
A Savior, so meek and mild.
Salvation came from God's own child.

So long ago this heavenly miracle
Gave to His people God's Hope and Mercy.
Glimpses Eternal in one perfect face.
He came to save us all In Bethlehem's Stall.
